

The Wilson Art Suite

“Any college, university, or large public library should have this...any special museum library should purchase it...”

—*American Reference Books Annual on Art Museum Image Gallery*

Carefully vetted links, accurate and comprehensive biographies and a vast array of allied content make *Wilson's Art Suite* the premier destination for all the art information and images you need. This one-stop source provides complete coverage of the fine, decorative, and commercial arts, as well as photography, folk art, film, architecture, and much more! With exceptional full-text articles and superb museum images, the *Wilson Art Suite* offers an invaluable resource for serious art research.

Art Museum Image Gallery

Essential for programs in art history, studio art, and design.

Art Museum Image Gallery is a rich digital resource of art images and related multimedia gathered from the collections of distinguished museums around the world.

- Over 165,000 superior-quality images with a full bibliographic record. Many include curatorial text, provenance data, detail or multiple views for many images, and related multimedia where available.
- Coverage of both fine and decorative art: painting, sculpture, drawings, prints, photographs, textiles, costumes, jewelry, ceramics, furniture, glass, books and manuscripts, archaeological finds, and more.
- Presents a broad range of time and place—spans artistic creation from 3000 B.C. to the present, with art from the cultures of Africa, Asia, Europe, and the Americas, including Native American and Meso-American peoples.

Art Full Text

This database offers full text plus abstracts and indexing of an international array of peer-selected publications—now with expanded coverage of Latin American, Canadian, Asian and non-Western art, new artists, contemporary art, exhibition reviews, and feminist criticism.

- Coverage of fine, decorative and commercial art.
- International in scope: covers periodicals published in French, Italian, German, Spanish, and Dutch as well as English—many of them peer-reviewed.
- High-quality indexing of more than 500 periodicals as far back as 1984, many of them peer-reviewed.
- Full text of articles from nearly 200 journals as far back as 1997.

Art Index Retrospective: 1929-1984

The only in-depth record of contemporary art history, *Art Index Retrospective: 1929-1984* allows users to search 55 years of art literature at a keystroke. Find contemporary criticism of art at the time of its debut, track the body of work of an artist or movement, find artists' interviews and other commentary, and much more.

- High-quality indexing of nearly 600 publications over 55 years provides unprecedented coverage of art. Many of the journals are peer-reviewed.
- Includes citations to over 25,000 book reviews.
- Indexing of art reproductions helps researchers focus on a single artist or find individual works.
- International in scope: covers periodicals published in French, Italian, German, Spanish, and Dutch as well as English.

Avery Index to Architectural Periodicals

Avery Index to Architectural Periodicals offers a comprehensive listing of journal articles on architecture and design, including bibliographic descriptions on subjects such as the history and practice of architecture, landscape architecture, city planning, historic preservation, and interior design and decoration. It contains more than 600,000 entries surveying over 700 American and international journals.

- Includes not only scholarly and popular periodical literature, but also publications of professional associations, American state and regional periodicals, and the major serials on architecture and design of Europe, Asia, Latin America, and Australia.
- Covers 2,500 domestic and foreign journals.

Cinema Image Gallery

Unprecedented access to movies and television for education, research, and enjoyment.

"A perfect ten... The content is superlative... Enthusiastically recommended for academic and special libraries supporting film studies programs and researchers, as well as for medium to large public libraries."

— *Library Journal*

Cinema Image Gallery presents the history of movie-making through a wide range of high-quality still images of films in production.

- Over 200,000 superior-quality images.
- A treasure-trove of over 4,000 poster art and lobby cards used to promote the movies.
- Portrait photography and biographies of the stars of film and TV.
- Links to full video, free online.
- Link to carefully vetted free sites.
- New search parameters: Country, Film Subject, Best Costume Design, Silent (as a genre).
