

### Advanced Search

Searching a single term or phrase? Just enter your topic in the **Find** box and click **Start**. Advanced Search lets you specify as many or as few parameters as you wish. You don't have to fill in every line.

For more precision, cross-search using the other **Find** boxes, specifying "and," "or," or "not."

Search specific fields in the records using the menus here—**subject, materials and techniques, nationality of the artist, or object type** for example.

The default **All-Smart Search** returns results ranked by the significance of the field in which your term is found.

- All
- Antiquities
- Architecture
- Audio-Video
- Books
- Costume and Jewelry
- Decorative Arts and Utilitarian
- Digital Arts
- Drawings and Watercolors
- Installations
- Mixed Media

Use the **Physical Description** menu to find works by their assigned category.

### Results Screen

Sort your results by **artist, title, object type**, and more.

To narrow your search, enter a name or term in the **Find** box and choose "Search Within Results."

To search related subjects, click any of the suggestions here.

Click any entry to open the full record. (See reverse.)

## Full Record

**Enlarge Image** opens the larger image in a resizable window, for better viewing.

Summary data offers essential information about each work. Most of these fields are searchable at the **Advanced Search** screen.

Links to related multimedia (if available) bring you audio-visual information provided by the museum where the work is on display.

**Persistent URL** links reveals the URL for your search. Copy the URL into your documents or email messages for fast access to the results later.
